The 2006 Spring RMGB IBPG has been cancelled due to inability to obtain a facility and speakers. Tropicana Hotel in Las Vegas decided they are not interested in hosting the 2006 Spring RMGB IBPG meeting in March.

The January meeting in Las Vegas has been cancelled since we are not preparing for the spring meeting. The group will use this time to prepare for a committee meeting March 14-15 in Denver.

- Christine Peters will locate a facility in Denver for the meeting to accommodate 15 persons.
- Lynda B will contact Tina Ledger (payment centers issues), Hallie Locklear (national updates), and Steve Waters (EATIS) for a conference call during our March meeting on updates
- Carol S will contact MaryAnn Szmoniak to call in on a conference call to provide an ISUITE update.
- Forward agenda items to Lynda B for the March meeting.

March Committee Meeting:

- Review supplements – pending coming changes
- D&D Show Update
- EATIS Update
- ISUITE Update
- National Task Group Updates
- Payment Centers' Issues
- Discuss possible need to put out a "News Letter" on items of importance that would have been addressed at the spring workshop.
- S-460

Supplements:

- Idaho BLM will do the layout/editing of the RMGB supplements.
- Committee chair will give the supplements to the coordinating groups for signature, once they have been approved by the coordinating groups they will be distributed and posted to the GACC websites under each geographic area coordinating group letterhead.

- Individual agencies are responsible for following their policies on distribution and signature process after the coordinating groups approve the supplements. They will not be held up for any agency signature.
- States will forward their drafts of Chapter 50 as they are completed to the committee.
